Prelims: No penalty for scratching on the block in prelims with the exception of deck seeded events. Any swimmer entered in a deck seeded event must positively check-in with the clerk of course by the required check-in time. Once seeding has been completed, the swimmer must swim the event unless he/she notifies the Referee that he/she wishes to scratch due to illness or injury. Failure to do so will result in the swimmer being barred from his/her next individual event in which he/she is entered on that day or the next day of the meet, whichever is first.

Finals: Any swimmer who competes in a preliminary heat and qualifies as one of the finalists, as originally seeded, must swim in that event's final; or must notify the clerk of course that he/she intends to scratch from that final's event, within 30 minutes of the announcement of the qualifiers. Swimmers may reverse their intention to scratch and choose to be seeded for finals if they do so within 30 minutes of their last prelim event of the day. Any swimmer seeded in a final who fails to swim that event will be barred from their next individual event unless excused by the meet referee because of illness or injury. A swimmer not originally qualified for finals who is seeded into a final due to the scratch of another swimmer will not be penalized for failing to swim in that final.

Alternates wishing to swim in an open lane in finals must be standing at the starter's stand, ready to step on the blocks for his/her swim, when the swimmers are called to the blocks. Only the starter will call for the alternate, not the announcer.
